Relevant Experience

WEB DESIGN FELLOW at General Assembly September 2018 - Present | Atlanta, GA

General Assembly's Web Development Immersive is a 12-week training program dedicated to give students a deep dive into the world of web development, focusing on best practices and web development tools. Technologies focused in Git/GitHub, Python, Django, Javascript, Node and React. Developed a portfolio of individually and collaboratively focused projects, including:

- Themed Jeopardy Game, using HTML, CSS and Javascript
- BBQ ratings application, using MongoDB, Express, HandleBars and Node
- Doggy Dates - an application to find local k-9's and set up a play date. Using MongoDB, Express, React, Node.
- NCR Silver - Coordinated with UX /UI designers to develop a robust web based e-commerce experience tailored for the small business POS customer.

Work Experience

Booking Agent/Tour Manager at Mannex Management | 2011 to 2015 | New York, NY

- Delegated performances at 40+ Universities nationwide.
- Created and maintained corresponding social media feeds, such as Facebook, Twitter. Generating 2 million views on YouTube and 17.5k subscribers.
- Established rates for performers through co-op buying sessions.
- Produced itinerary for tours including sound checks, performances, air/ground travel and lodge.

Assistant Manager at Melita's Wine And Spirits | 2007-2010 | New York, NY

- Maintained cost of goods sold, nightly comps, nightly recap reports and safe audits by overseeing inventory counts.
- Controlled the day-to-day operations of the venue within the policies and guidelines set forth by the company.
